

IDA WORLD CONGRESS 2017

ENSURE YOUR WATER FUTURE

São Paulo Brazil

TECHNICAL AND PANEL SESSIONS SCHEDULE | CONGRESS CEREMONIES | OTHER PROGRAM BY DAY – MORNIN AND AFTERNOON

PRE: SUNDAY, OCTOBER 15, 2017

- IDA Academy Courses
- IDA Board of Directors Meetings
- Delegate Pre-Registration
- 5:30p Welcome Reception and Exhibition Walk-through

DAY 1: MONDAY, OCTOBER 16, 2017

- 7:30a Session Chairs, Presenters, and Panelist of the day Breakfast Meeting

Morning Sessions

- Opening Ceremony
- Plenary Technical Session

Afternoon Sessions

- S-3.3 Membranes and Materials in Seawater Desalination I
- S-8.2 Water Reuse Practices II - Membranes
- S-9.2 Desalination and Water Reuse in Industrial Applications II – Mining & ZLD
- S-10.2 Emerging and Advanced Technologies II – Thermal & Materials
- Panel Water, Energy and Food Nexus
- Plenary Water Reuse and Desalination World Changing Projects Explained by Developers

DAY 2: TUESDAY, OCTOBER 17, 2017

- 7:30a Session Chairs, Presenters, and Panelist of the day Breakfast Meeting

Morning Sessions

- S-1.1 Water Policy, Development, Governance, Finance and Market Challenges
- S-4.1 Brackish Water Desalination - Membranes & Applications
- S-5.2 Thermal Desalination II - Future Trends
- S-9.1 Desalination and Water Reuse in Industrial Applications I - O&G, Power & Others
- Panel Legislation and Regulations for Reuse and Desalination in Brazil
- Panel Desalination and Reuse in Northeast Brazil

Afternoon Sessions

- S-2.1 Harmful Algal Blooms Management and Case Studies
- S-3.4 Membranes and Materials in Seawater Desalination II
- S-6.1 Operation of Desalination and Water Reclamation Plants I
- Panel Energy and Environment Blue Paper: The Challenges of Desalination and Renewable Energies
- Panel The Water Challenge in the State of São Paulo
- Special World Water Forum 18

IDA WORLD CONGRESS 2017

ENSURE YOUR WATER FUTURE

São Paulo Brazil

Plenary Water Reuse: Drivers, Innovations, and Public Perceptions

IDA Membership Meeting

DAY 3: WEDNESDAY, OCTOBER 18, 2017

7:30a Session Chairs, Presenters, and Panelist of the day Breakfast Meeting

Morning Sessions

S-2.3 Pre- and Post-Treatment in Brackish and Seawater Desalination II

S-7.1 Desalination and the Environment

S-8.1 Water Reuse Practices I - Agriculture and Direct & Indirect Potable Reuse

S-12.1 Regional Experiences and Case Studies: Latin America

Panel Transformation, Renewable Energy and the Future Direction of the MENA Region

Panel Desalination and Water Reuse in the Water Security Agenda: World Bank Partner's Experiences

Afternoon Sessions

S-2.2 Pre- and Post-Treatment in Brackish and Seawater Desalination I

S-3.1 Energy and Efficiency in Seawater Desalination I

S-6.2 Operation of Desalination and Water Reclamation Plants II

S-10.3 Emerging and Advanced Technologies III - FO & Others

Special ALADYR Workshop

Plenary Meet the CEO's: Market Trends and Challenges for 2020

IDA Board of Directors Meeting

DAY 4: THURSDAY, OCTOBER 19, 2017

7:30a Session Chairs, Presenters, and Panelist of the day Breakfast Meeting

Morning Sessions

S-3.2 Energy and Efficiency in Seawater Desalination II

S-5.1 Thermal Desalination I - Thermal Plants

S-10.1 Emerging and Advanced Technologies I – Innovative Membranes

S-11.1 Desalination and Renewable Energy

Panel Meet the Professors

Panel China Desalination and Water Reuse

Afternoon

Closing Ceremony Luncheon and Awards

POST: FRIDAY, OCTOBER 20, 2017
