

WORLD CONGRESS

Addressing Water Scarcity

8 - 12 December 2024 | Abu Dhabi, UAE

SPONSORSHIP OPPORTUNITIES

The 2024 IDRA World Congress: Addressing Water Scarcity is scheduled for December 8 to 12, 2024, in the vibrant city of Abu Dhabi. The World Congress is proudly hosted by the Department of Energy (DOE) Abu Dhabi at ADNEC, under the esteemed patronage of H.E. Awaidha Murshid Al Marrar, Chairman of the DOE Abu Dhabi.

For over thirty years, the 2024 IDRA World Congress has been the premier event on desalination and water reuse technologies. Together, the brightest minds in the water reuse, desalination, and renewable energy sectors will address water scarcity and adaptation to the effects of climate change on the water ecosystem. Join us for a week to share knowledge and develop business to advance the critical solutions that will secure clean water across the globe.

We are now actively accepting bookings for sponsorships and exhibition space, for more information, please contact the IDRA team at sponsorships@idadesal.org.
